Telos Corporation Awarded $35 Million U.S. Army Contract for Systems on Korean Peninsula

May 13, 2021

Cybersecurity leader to provide support of Yongsan Relocation Plan and Land Partnership Plan

ASHBURN, Va., May 13, 2021 (GLOBE NEWSWIRE) -- Telos® Corporation (NASDAQ: TLS), a leading provider of cyber, cloud and enterprise security solutions for the world's most security-conscious organizations, announced today that it was awarded a five-year contract valued at approximately $35 million by the Army Contracting Command.

Telos will provide all necessary program management, design, engineering and implementation of systems to include inside and outside plant, voice, voice over internet protocol, communication systems, as well as wireless and communications infrastructure support. This effort also includes configuration management, cybersecurity, logistics and asset management.

"The relocation and realignment effort is critical to U.S. military operations on the Korean peninsula," said John B. Wood, CEO and chairman, Telos. "There is no greater honor than to support our men and women who bring peace and stability to this vital region of the world."
