

Telos Corporation Achieves CMMI DEV V2.0 Maturity Level 3

September 22, 2021

ASHBURN, Va., Sept. 22, 2021 (GLOBE NEWSWIRE) -- [Telos® Corporation](#) (NASDAQ: TLS), a leading provider of cyber, cloud and enterprise security solutions for the world's most security-conscious organizations, today announced that Telos Secure Networks - Core Solutions has achieved Capability Maturity Model Integration Development V2.0 Maturity Level 3. The [Capability Maturity Model Integration](#) (CMMI)® is a proven set of global best practices that drives business performance through building and benchmarking key capabilities.

"Obtaining this milestone demonstrates our clear commitment to continuous improvement for our customers," said Brendan Malloy, senior vice president and general manager of cyber operations and defense, Telos. "By adhering to a proven and repeatable set of best practices, this appraisal demonstrates our ability to continually drive quality, customer satisfaction, performance and value to their highest levels."

[Ace Guides](#), an authorized CMMI Institute service provider, performed the appraisal.

Forward-Looking Statements

This press release contains forward-looking statements which are made under the safe harbor provisions of the federal securities laws. These statements are based on the Company's management's current beliefs, expectations and assumptions about future events, conditions and results and on information currently available to them. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. The Company believes that these risks and uncertainties include, but are not limited to, those described under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" set forth from time to time in the Company's filings and reports with the U.S. Securities and Exchange Commission (SEC), including their Annual Report on Form 10-K for the year ended December 31, 2020 and their Report on Form 10-Q for the quarter ended June 30, 2021, as well as future filings and reports by the Company, copies of which are available at www.investors.telos.com and on the SEC's website at www.sec.gov.

Although the Company bases these forward-looking statements on assumptions that they believe are reasonable when made, they caution the reader that forward-looking statements are not guarantees of future performance and that the Company's actual results of operations, financial condition and liquidity, and industry developments may differ materially from statements made in or suggested by the forward-looking statements contained in this release. Given these risks, uncertainties and other factors, many of which are beyond their control, the Company cautions the reader not to place undue reliance on these forward-looking statements. Any forward-looking statement speaks only as of the date of such statement and, except as required by law, the Company undertakes no obligation to update any forward-looking statement publicly, or to revise any forward-looking statement to reflect events or developments occurring after the date of the statement, even if new information becomes available in the future. Comparisons of results for current and any prior periods are not intended to express any future trends or indications of future performance, unless specifically expressed as such, and should only be viewed as historical data.

About Telos Corporation
