

Telos Corporation Awarded Five-Year Contract with Defense Information Systems Agency

August 22, 2023

ASHBURN, Va., Aug. 22, 2023 (GLOBE NEWSWIRE) -- [Telos Corporation](#) (NASDAQ: TLS), a leading provider of cyber, cloud and enterprise security solutions for the world's most security-conscious organizations, announced today a five-year contract with the Defense Information Systems Agency (DISA) for the Telos Automated Message Handling System (AMHS) to support the distribution and processing of various reports and other critical information.

A widely-used organizational messaging solution in the U.S. Department of Defense, Telos AMHS supports organizations around the world, including the Joint Chiefs of Staff, Combatant Commands, Military Services, Defense Agencies and the Intelligence Community.

Telos AMHS immediately routes incoming messages to the right desktop and creates an archive of all arriving traffic for future reference. AMHS also provides intuitive tools for searching and retrieving messages from the archive while protecting against unauthorized access, and offers an easy way to create, coordinate, and release outgoing messages.

"DISA is one of our longest-standing customers, and we're pleased to continue to support their organizational communications," said John B. Wood, CEO and chairman, Telos. "Timely and secure message delivery is key to successful military operations, and we're honored to be chosen to support this mission."

Forward-Looking Statements

This press release contains forward-looking statements which are made under the safe harbor provisions of the federal securities laws. These statements are based on the Company's management's current beliefs, expectations and assumptions about future events, conditions and results and on information currently available to them. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. The Company believes that these risks and uncertainties include, but are not limited to, those described under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" set forth from time to time in the Company's filings and reports with the U.S. Securities and Exchange Commission (SEC), including its Annual Report on Form 10-K for the year ended December 31, 2022, as well as future filings and reports by the Company, copies of which are available at <https://investors.telos.com> and on the SEC's website at www.sec.gov.

Although the Company bases these forward-looking statements on assumptions that the Company's management believes are reasonable when made, they caution the reader that forward-looking statements are not guarantees of future performance and that the Company's actual results of operations, financial condition and liquidity, and industry developments, may differ materially from statements made in or suggested by the forward-looking statements contained in this release. Given these risks, uncertainties and other factors, many of which are beyond its control, the Company cautions the reader not to place undue reliance on these forward-looking statements. Any forward-looking statement speaks only as of the date of such statement and, except as required by law, the Company undertakes no obligation to update any forward-looking statement publicly, or to revise any forward-looking statement to reflect events or developments occurring after the date of the statement, even if new information becomes available in the future. Comparisons of results for current and any prior periods are not intended to express any future trends or indications of future performance, unless specifically expressed as such, and should only be viewed as historical data.
