

## Telos Corporation, an Official TSA PreCheck® Enrollment Provider, Expands Enrollment and Renewal Options by Opening New Locations

April 15, 2024

### New enrollment locations in Florida offer convenient options for consumers to enroll in TSA PreCheck at Office Depot locations

ASHBURN, Va., April 15, 2024 (GLOBE NEWSWIRE) -- [Telos Corporation](#) (NASDAQ: TLS), an authorized enrollment provider, continues to expand locations to enroll and renew consumers in the TSA PreCheck® program by opening two new Florida locations in Wesley Chapel on April 10 and Mount Dora on April 12.

Telos now has 28 TSA PreCheck enrollment centers open across the U.S. The launch of enrollment centers in Florida represents the ongoing expansion of Telos' national TSA PreCheck enrollment footprint. Throughout 2024, Telos will continue delivering convenience to consumers by launching additional locations and extended hours of operation for enrollment and renewals.

"Telos is pleased to open new TSA PreCheck enrollment centers in Florida, bringing the convenience of TSA PreCheck to the backyards of millions of Americans," said John Wood, CEO and chairman, Telos. "Every minute matters during your travel day and TSA PreCheck will help get you to your destination quickly and easily."

TSA PreCheck members benefit from the convenience of keeping shoes, belts and light jackets on through the security checkpoint, and keeping electronics and 3-1-1 compliant liquids in carry-on bags. Members typically get through security screening much faster, with about 99% of members waiting less than 10 minutes at airport checkpoints nationwide.

New TSA PreCheck applicants can pre-enroll or schedule an enrollment appointment by visiting the authorized Telos TSA PreCheck website, <https://tsaprecheckbytelos.tsa.dhs.gov>. Most existing TSA PreCheck members throughout the U.S. can renew directly on Telos' authorized TSA PreCheck website, regardless of the provider they enrolled with originally.

A list of Telos enrollment locations for TSA PreCheck is included below, and on the Telos TSA PreCheck website: <https://tsaprecheckbytelos.tsa.dhs.gov/locations>.

**Forward-Looking Statements**

This press release contains forward-looking statements which are made under the safe harbor provisions of the federal securities laws. These statements are based on the Company's management's current beliefs, expectations and assumptions about future events, conditions and results and on information currently available to them. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. The Company believes that these risks and uncertainties include, but are not limited to, those described under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" set forth from time to time in the Company's filings and reports with the U.S. Securities and Exchange Commission (SEC), including their Annual Report on Form 10-K for the year ended December 31, 2023, as well as future filings and reports by the Company, copies of which are available at <https://investors.telos.com> and on the SEC's website at [www.sec.gov](http://www.sec.gov).

Although the Company bases these forward-looking statements on assumptions that its management believe are reasonable when made, the Company cautions the reader that forward-looking statements are not guarantees of future performance and that the Company's actual results of operations, financial condition and liquidity, and industry developments may differ materially from statements made in or suggested by the forward-looking statements contained in this release. Given these risks, uncertainties and other factors, many of which are beyond its control, the Company cautions the reader not to place undue reliance on these forward-looking statements. Any forward-looking statement speaks only as of the date of such statement and, except as required by law, the Company undertakes no obligation to update any forward-looking statement publicly, or to revise any forward-looking statement to reflect events or developments occurring after the date of the statement, even if new information becomes available in the future. Comparisons of results for current and any prior periods are not intended to express any future trends or indications of future performance, unless specifically expressed as such, and should only be viewed as historical data.
