July 31, 2024

New enrollment location offers convenient options for consumers to enroll in TSA PreCheck at the Eastern Iowa Airport (CID) in Cedar Rapids, Iowa.

ASHBURN, Va. and CEDAR RAPIDS, Iowa, July 31, 2024 (GLOBE NEWSWIRE) -- [Telos Corporation](#) (NASDAQ: TLS), an authorized enrollment provider, continues to expand locations to enroll and renew consumers in the TSA PreCheck® program by opening a new location at the Eastern Iowa Airport (CID) in Cedar Rapids, Iowa on July 24, 2024.

Telos now has 69 TSA PreCheck enrollment centers open across the U.S. The launch of the enrollment center at CID airport represents the ongoing expansion of Telos' national TSA PreCheck enrollment footprint. Notably, the TSA PreCheck enrollment center at CID marks the first Telos TSA PreCheck enrollment location at an airport.

"Telos is pleased to open a new TSA PreCheck enrollment center in the Eastern Iowa region, utilizing the dedicated staff of CID to bring the convenience of TSA PreCheck to the backyard of millions of Americans," said John Wood, CEO and chairman, Telos. "Every minute matters during your travel day, and TSA PreCheck will help get you to your destination quickly and easily."

Eastern Iowa Airport Director Marty Lenss says offering TSA PreCheck enrollment at CID is a great customer amenity for travelers throughout Eastern Iowa and the border regions of Illinois and Wisconsin.

"We are very happy to be able to offer TSA PreCheck enrollment right at the airport, making it easier for passengers to access this program," Lenss says. "Travel can be stressful, and enrolling in TSA PreCheck through our Telos partnership will help travelers have a more stress-free experience."

The TSA PreCheck enrollment center will be located at the airport's Public Safety facility, 3020 Lippisch Place SW, Cedar Rapids, Iowa. TSA PreCheck enrollment will be by appointment only when the office at the Public Safety facility opens. Enrollment appointments will be available Monday, Wednesday and Thursday from noon to 4 p.m.

TSA PreCheck members benefit from the convenience of keeping shoes, belts and light jackets on through the passenger security checkpoint, and keeping electronics and 3-1-1 compliant liquids in carry-on bags. Members typically get through security screening much faster, with about 99% of members waiting less than 10 minutes at airport checkpoints nationwide.

New TSA PreCheck applicants can pre-enroll and schedule an enrollment appointment by visiting the authorized Telos TSA PreCheck website, <https://tsaprecheckbytelos.tsa.dhs.gov>. Existing TSA PreCheck members throughout the U.S. can renew directly on Telos' authorized TSA PreCheck website, regardless of the provider they enrolled with originally.
