ASHBURN, Va., April 07, 2025 (GLOBE NEWSWIRE) -- [Telos Corporation](#) (NASDAQ: TLS), an authorized enrollment provider, continues to expand locations to enroll consumers in the TSA PreCheck® program by opening 10 new locations in California, Florida, Hawaii, Idaho, Louisiana, Maryland, Oregon and Washington. These locations began offering enrollment services today, April 7, 2025.

Telos now has 243 TSA PreCheck enrollment centers open in 32 states across the U.S. The launch of these new enrollment centers represents the ongoing expansion of Telos' national TSA PreCheck enrollment footprint. Throughout 2025, Telos will continue delivering convenience to consumers by launching additional locations and extended hours of operation for enrollment and renewals.

"Telos is proud to bring TSA PreCheck to your neighborhood for an easy, convenient enrollment experience," said John Wood, CEO and chairman, Telos. "Adding these new locations in California, Florida, Hawaii, Idaho, Louisiana, Maryland, Oregon and Washington expands TSA PreCheck enrollment access to more travelers."

TSA PreCheck members benefit from the convenience of keeping shoes, belts and light jackets on through the security checkpoint, and keeping electronics and 3-1-1 compliant liquids in carry-on bags. Members typically get through security screening much faster, with about 99% of members waiting less than 10 minutes at airport checkpoints nationwide.
