

2023 SASB REPORT

This Report outlines Telos' disclosure in accordance with the International Sustainability Standards Board's SASB Standards for the Software & IT Services industry for fiscal year 2022, unless otherwise noted.

SASB Standards: Index

Topic	Metric	Code	Disclosure
Environmental Footprint of Hardware Infrastructure	(1) Total energy consumed, (2) percentage grid electricity, (3) percentage renewable	TC-SI-130a.1	Total energy consumed by Telos in 2022 was 12,326GJ (8484GJ electrical / 3842GJ gas). 100% of the electricity consumed was grid electricity. Telos does not currently receive energy from renewable sources.
	(1) Total water withdrawn, (2) total water consumed; percentage of each in regions with High or Extremely High Baseline Water Stress	TC-SI-130a.2	Total water withdrawn by Telos in 2022 was 5033 cubic meters. Based on the World Resources Institute's Water Risk Atlas tool, 100% of Telos facilities are located in low baseline water stress regions.
	Discussion of the integration of environmental considerations into strategic planning for data centre needs	TC-SI-130a.3	Telos does not currently track this information as we do not own or operate data centers.
Data Privacy and Freedom of Expression	Description of policies and practices related to behavioral advertising and user privacy	TC-SI-220a.1	This information can be found at: www.telos.com/privacy .
	Number of users whose information is used for secondary purposes	TC-SI-220a.2	Telos primarily operates in a business-to-business or business-to-government environment and does not track numbers of individual users whose information may be used for secondary purposes.
	Total amount of monetary losses as a result of legal proceedings associated with user privacy	TC-SI-220a.3	In 2022, Telos did not have any monetary losses as a result of legal proceedings associated with user privacy.
	(1) Number of law enforcement requests for user information, (2) number of users whose information was requested, and (3) percentage resulting in disclosure	TC-SI-220a.4	In 2022, Telos did not have any law enforcement requests for information concerning users of Telos' solutions.

Topic	Metric	Code	Disclosure
Data Privacy and Freedom of Expression (cont.)	List of countries where core products or services are subject to government-required monitoring, blocking, content filtering, or censoring	TC-SI-220a.5	Telos' products and services may be subject to export control and sanctions laws, including, without limitation, the U.S. Export Administration Regulations administered by the U.S. Department of Commerce's Bureau of Industry and Security ("BIS") and economic sanctions administered by the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC"), European Commission regulations, United Nations Security Council resolutions, and other similar national or international regulations (collectively, "Export Laws"). Telos follows a process to assess products and services against the Export Laws criteria. In addition, our products and services are not distributed to natural or legal persons (i) located, organized, or resident in a country or territory that is subject to a U.S. trade embargo; or (ii) identified on, or owned or controlled by any party identified on, any applicable sanctions or restricted party list, including the Specially Designated Nationals and Blocked Persons List, Foreign Sanctions Evaders List, and Sectoral Sanctions Identifications List, administered by OFAC, and the Entity List, Denied Persons List, or Unverified List, administered by BIS. As a consequence, our products and services may not be available in all jurisdictions and we may cease to provide them if violations of the Export Laws are identified.
Data Security	(1) Number of data breaches, (2) percentage involving personally identifiable information (PII), (3) number of account holders affected	TC-SI-230a.1	In 2022, Telos did not experience a data breach that had a material impact on the business.
	Description of approach to identifying and addressing data security risks, including use of third-party cybersecurity standards	TC-SI-230a.2	Telos' approach to identifying and addressing data security risks, including the use of third-party cybersecurity standards, is set forth in our public filings with the SEC, including our annual report on Form 10-K and Proxy Statement.
