Title: Chief Financial Officer

Explanation Referred to in Part IV, Item (3) of Form 12b-25

AS REFERENCED IN PART III OF THIS FORM 12b-25, THE FINANCIAL INFORMATION PROVIDED BELOW HAS NOT BEEN REVIEWED BY AN INDEPENDENT ACCOUNTANT AS REQUIRED BY REGULATION S-X:

The Company's sales for the second quarter of 2008 were \$46.6 million, a decrease of \$14.8 million compared to the same period in 2007. The Company's sales for the six months ended June 30, 2008 were \$94.1 million, a decrease of \$7.5 million compared to the same period in 2007. Such decreases are primarily attributable to decreases in sales from the ARISS (Army Recruiting Information Support System) program in the Managed Solutions business line, offset by an increase in sales from the DMDC contract in the Identity Management business line. The decrease in revenue associated with the ARISS program reflects the timing of the program's historical buying patterns and trends. Furthermore, as disclosed by the Company in its previous public filings, the Company's revenues have historically been subject to the seasonality of the government's buying season, resulting in higher revenues in the third and fourth quarters. However, the timing of certain orders can affect this historical trend as well.

The Company's cost of sales for the second quarter of 2008 was \$37.6 million, a decrease of \$12.4 million compared to the same period in 2007. The Company's cost of sales for the six months ended June 30, 2008 was \$75.6 million, a decrease of \$1.7 million compared to the same period in 2007. Such decreases are due primarily to the decreases in sales as discussed above.

The Company's gross profit for the second quarter of 2008 was \$9.0 million, a decrease of \$2.4 million compared to the same period in 2007. The Company's gross profit for the six months ended June 30, 2008 was \$18.5 million, a decrease of \$5.8 million compared to the same period in 2007. Such decreases are primarily attributable to decreases in sales of higher margin business offerings including services/solutions and proprietary software.

The Company's selling, general, and administrative ("SG&A") expense for the second quarter of 2008 was \$6.1 million, a decrease of approximately \$1.2 million compared to the same period in 2007. The Company's SG&A for the six months ended June 30, 2008 was \$12.7 million, a decrease of \$3.7 million compared to the same period in 2007. Such decreases are primarily attributable to a reduction of net litigation-related expenses.

The Company's net income for the second quarter of 2008 was \$1.0 million, a decrease of \$6.8 million compared to the same period in 2007. The Company's net income for the six months ended June 30, 2008 was \$1.8 million, a decrease of \$7.7 million compared to the same period in 2007, primarily attributable to the \$5.8 million gain on sale of TIMS LLC membership interest in April 2007.
